

Science Week - 20-24th May 2019

Monday, 13 May 2019

Otterham Science Week! – 20th – 24th May 2019

Dear Parents and Carers

Next week Otterham Primary School will be having a Science Week Extravaganza, with lots of engaging and fun activities planned across the week.

On Monday, the whole school will be visiting Polzeath Beach and working closely with Polzeath Marine Conservation group for a day of fun activities.

On Tuesday, the children will be following up their beach visit with activities in their classes in school.

On Wednesday morning, the children are being visited by Rob and Emily, from a local charity called Beach Guardian. They are coming into school to run educational workshops with the children about the impact on our local beaches and seas from plastics in the oceans and to encourage pupils to develop care and concern for their natural environment.

On Wednesday afternoon, there will be a whole school outdoor learning session, including den building, building bug hotels and storytelling sessions around the campfire. **Please ensure your child/ren have an appropriate change of clothes and footwear suitable for outdoor learning.**

On Thursday, theatre group Coppice Theatre will be coming into perform their show, Science Adventures. The highly interactive show engages children in Science in a fun and accessible way.

On Friday afternoon, the children would like to invite in all parents and carers for an open afternoon from 2pm. This will be a great opportunity for the children to share and celebrate all of their learning from Science Week with you. The Friends of Otterham School will be providing refreshments during the afternoon.

Please can you let us know below if you intend to come along on the Friday afternoon so that Friends have an idea of numbers.

It's shaping up to be a really exciting and engaging week and we are all looking forward to it!

Many thanks for your continued support.

Miss Parker
Science Leader

..... - Please confirm below if you are able to attend Friday afternoon from 2pm
