

CATERING, CLEANING & CONSULTANCY SERVICES

Aspens is the company chosen by your school to provide the new meal service. We specialise in providing catering to schools and colleges across the country.

The food children eat at school plays an important role in their wellbeing, and eating a well-balanced diet will not only maintain and improve their health, but will also set them on the right track for later life. We understand this and that's why we are passionate about serving fresh, high quality and locally sourced food that is cooked in our kitchen.

Responsible catering

At Aspens - we take our responsibility of catering for today's children and young adults seriously. All of our dishes are prepared everyday using quality, fresh and seasonal ingredients that are responsibly sourced.

As well as ensuring the food on the plate is healthy, we want our customers to understand the importance of eating the right foods and help them with their food and nutrition journey.

Great tasting food that your children will love

We know that our menus are good and lots of children enjoy one of our meals every day. But take a look at the other reasons why our meals are great:

- We are proud to support British farmers and producers and we take the sourcing of our ingredients seriously.
- Buying local, British produce enables us to support our farmers and invest in our local communities.
- We have awards from the British Hen Welfare Trust and Compassion in World Farming for our use of free range eggs.
- We make sure we have the freshest and highest quality produce on our menu.
- We buy Red Tractor, farm assured meat and poultry.
- Our menus don't contain any undesirable additives, hydrogenated fats or GM ingredients.

Just as you'd expect, you can trust us to provide meals which meet the Government's School Food Standards. Our menus are full of protein, whole grain rice and pasta, and vitamin-packed fresh fruits and vegetables to ensure your child has the fuel to perform academically throughout the school day.

Special diets and food allergens

Don't think that your child can't enjoy our great food if they have a special diet - they are an important part of our catering service. We can provide food if they have an intolerance, an allergy, or require an alternative choice due to religious beliefs.

Legislation requires caterers to provide allergen information on food sold that is served 'unpackaged'. Aspens already cater for lots of children with allergies and we regularly check the information from suppliers to see if there have been any ingredient changes. It is still important that our customers talk to us so we can work together and continue to provide meals that are safe for them to eat.

New online payment system – Starting Friday, 12th October 2018

I am delighted to inform you that we will be introducing a new online payment system. The purpose of this system means that you can:

- Order your child/children's preferred menu choice in advance
- Pay for school lunches via the system, or just pre-book meals if your child/children are entitled to free school meals
- Order a day at a time, per week or even for a month in advance from the beginning of each term
- You can register more than one child per school

How to register:

Below is the link to our website to register your child/children with the codes you have been provided with

Free school meals

All children that are in Reception, Year 1 and Year 2 are entitled to receive UNIVERSAL FREE SCHOOL MEALS! We think it's a fantastic idea so please make sure you support this initiative. Not only will you be saving money, but you will also be giving your child a nutritionally balanced meal to fuel their bodies for the rest of their learning day.

Please note this is not to be confused with FREE SCHOOL MEALS which is an entitlement that some children can receive due to their parents/carers circumstances. If you feel you may be entitled to receive FREE SCHOOL MEALS, you should request the relevant forms from your school office.

The Aspens App

This is ideal for parents to check out what's on offer for lunch with just a couple of presses on your smartphone. It's simple enough – just search for the app at the App Store, install, add the unique PIN relating to your particular school and you will be able to view the current menu. Ask a member of the team or at the school office for your number.
