SECTION 1 – COMPLIANCE AND GENERAL STATEMENT

This policy complies with the statutory requirement laid out in the Special Educational Needs and Disabilities Code of Practice 0 – 25 Years (April 2015) and has been written with reference to the following guidance and documents:

- Equality Act 2010: advice for schools DfE Feb 2013
- SEND Code of Practice 0 -25 Years (April 2015)
- Schools SEN Information Report Regulations (2014)
- Statutory Guidance on supporting pupils at school with medical conditions (April 2014)
- Safeguarding Policy
- Accessibility Plan
- Teachers' Standards (2012)
- United Nations Convention on Rights of the Child (1991)

This Policy has been created to ensure compliance with the Department of Education's SEND Reforms, which address measures outlined in the Children and Families Act 2014. The Act includes changes to the support and services children and young people with special educational needs and disabilities will receive. These changes came into force on 1st September 2014. This policy has been created by Sally Burke in liaison with the Headteacher, SLT and staff, with due regard to the input of parents and pupils with SEND.

In compliance with the new SEND Code of Practice and SEND Reforms, there is a graduated approach to the identification, provision and support of all pupils which, in addition to high quality teaching for all, includes a period of close monitoring and targeted provision and our On Alert system, prior to the consideration being given to place a child onto the School Record of Need (RON). Should a pupil require provision that is additional and different they are placed on the RON under one single category, namely SEND Support. Their provision will be identified and progress monitored via Personal Learning Plans (PLP's)

This policy sets out our commitment to raising the aspirations and expectations for all pupils with SEND, including those identified as Gifted and Talented.

SECTION 2 – AIM (THE LONGER VIEW)

The overarching aim of this policy is to ensure that the needs of pupils with SEND, and the barriers to their learning, are accurately identified and effectively met so that they are able to achieve well and develop well, both as individuals and as members of the community, living life with dignity and independence. (UNCRC Article 23)

To this end, we aim to:

- a) Assess pupils accurately, track their progress regularly and adjust provision in the light of ongoing monitoring.
- b) Ensure that lessons are stimulating, enjoyable and well scaffolded to meet the needs of all pupils, including those with SEND.
- c) Ensure that teaching and learning is multi-sensory.
- d) Make sure that additional support is well targeted, using a judicious blend of in-class support and withdrawal.
- e) Use the most appropriate resources to support learning, taking into account individual learning styles and needs and ensuring that the development of pupils' literacy skills has the highest priority.
- f) Continuously monitor and evaluate the effectiveness of our provision for all pupils, including those with SEND, to ensure that we are providing equality of educational opportunity and value for money.

Objectives:

Through the application of this policy, we wish to:

- a) Ensure compliance with National SEND Policy, most currently the DfE SEND Reforms, Children and Families Act 2014 and the SEND Code of Practice 2015.
- b) Work closely with the LA in developing their Local Offer and complying with locally agreed policies and procedures.
- c) To operate a 'whole pupil, whole school' approach to the management and provision of support for SEND.
- d) Ensure all staff implement the school's SEND policy consistently – fully endorsing our belief that **every teacher is a teacher of every child including those with SEND.**
- e) Ensure that there is no discrimination or prejudice.
- f) Ensure all pupils have access to an appropriately scaffolded curriculum.
- g) Recognise, value and celebrate pupils' achievements at all levels.
- h) Work in partnership with parents/carers in supporting their child's education.
- i) Guide and support all school staff and parents on SEND issues.
- j) Meet the individual needs of all children irrespective of whether they have physical, sensory, emotional, social, mental health, specific or general learning needs.
- k) Provide appropriate resources and ensure their maximum and proper use.

- l) Involve the pupil in the process of identification, assessment and provision and to ensure that the pupil is aware that his/her wishes are taken into account as part of the process and of the shared responsibility in meeting his/her educational needs.
- m) To provide an appropriately qualified Special Educational Needs and Disabilities Co-ordinator (SENDCo) who will oversee and work with the SEND Inclusion Policy.
- n) To provide support and advice for all staff working with pupils who have SEND.
- o) Support pupils with SEND to develop their personality, talents and abilities to the full. (UNCRC Article 23)
- p) Encourage all pupils with SEND to develop a respect for human rights, respect for parents, their own and other cultures and the environment. (UNCRC Article 29)

SECTION THREE – IDENTIFYING SPECIAL EDUCATIONAL NEEDS

A child has a learning difficulty or disability if he/she:

- Has greater difficulty in learning than the majority of children of his/her age.

and/or

- Has a disability which prevents or hinders them from making use of educational facilities/ provision that is normally available.

In addition, we identify special educational needs within the context of the usual scaffolded curriculum of the school. Pupils are identified as having SEND if they are not making progress within a curriculum that:

- a) sets suitable learning challenges
- b) responds to pupils' diverse learning needs
- c) aims to help pupils overcome potential barriers to learning

In accordance with the SEND Code of Practice 2015, four broad categories of need are identified:

- Communication and Interaction
- Cognition and Learning
- Sensory and/or Physical Needs
- Social, Mental and Emotional Health.

Whilst it is clear that the purpose of identification is to work out what action the school needs to take, it is not our purpose to fit a pupil into a category and serves solely to identify the needs of each individual pupil by considering the whole child, not just his/her special educational needs.

The school will always take needs that are not SEND but that may impact on progress and attainment into account for example:

- Attendance and Punctuality
- Health and Welfare, including mental health
- EAL
- Being in receipt of Pupil Premium
- Being a Looked After Child (LAC)
- Being the child of a Serviceman/woman

The identification of behaviour as a need is not an acceptable way of describing SEND and any concerns relating to a child's behaviour will be described as an underlying response to a need which the school has recognised and identified clearly.

SECTION 4 – A GRADUATED APPROACH TO SEND SUPPORT AT OTTERHAM

At Otterham Community Primary School all teachers are responsible and accountable for the progress and development of all pupils in their class including where pupils access support from specialist staff and teaching assistants. High quality teaching, scaffolded for individual pupils, is the first step in responding to pupils who have SEND. 'High Quality Teaching' is a priority of the school. It is regularly and rigorously monitored and there is a focus on continual improvement of the teaching of all pupils, including those at risk of underachievement. This includes reviewing and, where necessary, improving teachers' understanding of strategies to identify and support vulnerable pupils and their knowledge of the additional needs most frequently encountered.

Close liaison is maintained with all members of staff by the SENDCo to ensure that pupils are only identified as having SEND if they do not make adequate progress once they have had appropriate interventions/adjustments and good quality personalised teaching.

Details of the provision on offer at Otterham can be found in the School Offer in the SEND section of the School's Website.

Levels of Need

At Otterham Community Primary School, the Graduated Response consists of three levels as follows:

On-Alert

This refers to pupils who may, for some reason, have fallen behind and require some additional input to catch-up. A pupil in this category may have one of more of the following indicators:

- Be at risk of not meeting their targets
- Currently working at a standard below National Expectations and their targets will not bring them above this level

- New entrants to the school whose needs are still being assessed
- Currently have barriers to their learning e.g.
 - Their behaviour is disruptive
 - There are attendance/lateness issues
 - Concerns over their mental health
 - The family is currently experiencing challenges
 - English is not the first language for them or their family (EAL)

All class teachers are required to keep a list of pupils who they are monitoring at On-Alert level and to identify and implement strategies to address their needs to enable them to catch-up. This will involve conversations between the class teacher, SENDCo and parents which will include problem-solving, planning support and strategies for the individual pupils.

Pupils at this level of need do not form part of the School's RON and, in line with the Code of Practice, the School ensures that everything is done at an early a stage as possible to avoid the need for SEN Support.

However, if after a period of time, an individual does not catch-up, it is at this point that consideration will be given as to whether they need SEN support.

SEN Support

Pupils are placed on the RON at this level after assessment and consultation between the SENDCo and Class Teacher when it is established that they have a significant learning difficulty and they need provision that is **additional and different**.

At this point, parents/carers will be informed of the decision and the school will continue to work in partnership with them, listening to their views and those of the pupil, and involving them proactively in planning and decision making. This will take the form of an 'Assess- Plan- Do -Review Cycle,' which is at least termly.

Assess

- Teacher's high quality, accurate formative assessment and experience of child
- Pupil progress, attainment and behaviour
- Development and attainment in all areas in comparison to peers
- Views and experiences of parents
- The child's own views
- If relevant, assessments, views and advice from external services.

Plan

A plan will be drawn up by SENDCo and class teacher in consultation with parents and child. It will include:

- The outcomes agreed for the next term
- The support and interventions to be put in place
- The expected impact on progress, development or behaviour
- A clear date for review

- The plan will be recorded on the pupil's Personal Learning Plan (PLP)
- A copy will be given to the parents.

Do

- The class teacher remains responsible for working with the child on a daily basis and works closely with TAs or specialist staff to plan and assess the impact of the interventions.
- The SENDCo supports the class teacher in the further assessment of the child's particular strengths and weaknesses, in problem-solving and advising on the effective implementation of support.
- The SENDCo monitors this provision.

Review

- Parents will be invited to attend termly review meetings with the class teacher, SENDCo (where appropriate) and their child in order to monitor/ review the effectiveness of the support and the impact on the child's progress.
- A new plan will then be drawn up and added to the ongoing Personal Learning Plan.
- Parents will be given copies of notes from the review and the new PLP.

Involving Specialists

If a child continues to make little or no progress over a sustained period, or where they continue to work at levels substantially below age expected despite SEN Support, the school will involve specialists including those from outside agencies. The views of parents/carers and the child are considered at all levels of intervention.

Regular liaison is maintained with the following external agencies for pupils on SEN support and pupils with Education Healthcare Plans (as applicable)

- SEND support services
- Psychology services
- Social services
- Physical and medical needs advisory team.
- Audiology service
- Health Services
- Parent Partnerships
- Early Help Hub
- Speech and Language Therapy service.
- Cognition and Learning Team
- CAMHs
- Early Years inclusion Team
- Health Visitors

Education, Health and Care Plan

Pupils who need more specialist provision and whose needs cannot be wholly met at SEN Support level will be the subject of Statutory Assessment. This is completed by the

SENDCO who obtains the views and information about the child from all other professionals involved in their education, health and/or care.

Parents and Carers views and those of the child are obtained and will be considered in order for a recommendation for statutory assessment to be made by the Local Authority. The LA then consider the application and issue an EHCP as appropriate.

There is a statutory requirement to review an EHCP annually (6 monthly for EYFS). This review meeting is held at the school with parent, child and all professionals involved invited to attend.

In addition, pupils with an EHCP are subject to the termly Assess-Plan-Do-Review Cycle.

The SENDCo is responsible for:

- a) Assessing specific needs of students with SEND, including application for Statutory assessment.
- b) Managing the screening of pupils for specific learning difficulties such as dyslexia, poor phonological awareness and working memory development.
- c) Liaising with other schools to aid transition.
- d) Ensuring all relevant information is forwarded on to new school.
- e) Day-to-day operation of the school's SEND Policy including ensuring that the APDR Cycle is taking place.
- f) Liaising and advising class teachers and support staff.
- g) Maintaining the SEND Record of Need and the records of all pupils with SEND.
- h) Liaising with parents/carers of pupils with SEND.
- i) Liaising with external services including the Educational Psychology Service, Social Care, Early Support etc.
- j) Attending/holding review meetings for pupils with SEND including those with an EHCP.

SECTION 5 - CRITERIA FOR EXITING THE SEND RECORD OF NEED

The SENDCo has responsibility for the removal of a pupil from support on the Record of Need at Otterham School. The decision will be dependent upon appropriate progress being made towards set targets and in conjunction with appropriate teaching staff/outside agencies and parents.

SECTION 6 – SUPPORTING PUPILS AND FAMILIES

SECTION 7 – SUPPORTING PUPILS WITH MEDICAL CONDITIONS

- The school recognises that pupils at school with medical conditions should be properly supported so that they can have full access to education, including educational visits and physical education.
Some children with medical conditions may be disabled and where this is the case, the school will comply with its duties under the Equality Act 2010.
- Some pupils, may also have SEND and may have an EHCP which brings together health and social care needs, as well as special educational provision and the Code of Practice (2015) is followed.
- The school has a number of members of staff trained in Paediatric and General First Aid and, where appropriate, staff are trained in managing the medication and other treatments of pupils with medical conditions.
